

Adopt an Animal

Do you have a favorite animal in our Distressed Wildlife Complex? Have you ever wished you could do something special for your favorite resident? It is now possible for you to help your favorite animal.

This Refuge fundraiser allows you to 'adopt' your favorite animal, and help to provide the best care possible here at the refuge.

Your assistance will allow the Refuge staff to:

- Enhance your animal's dwelling space
- Provide for the best possible diet
- Assist in paying for veterinary procedures and preventative treatments
- Enhance and expand our educational programs

Anyone can adopt an animal!

Kids, families, scout groups, teams, even businesses can help to provide a happy life for their favorite refuge resident.

All adopter's will receive recognition on our Adoption Tree board located inside the Refuge entrance booth.

See our variety of adoptions!
